2004	8.8%	8.1%	11.0%	9.1%	14.7%	10.1%
2003	18.5%	18.8%	24.6%	22.5%	28.8%	26.2%
2002	-5.8%	-9.1%	-8.7%	-14.0%	-9.9%	-18.9%
8-year Annualized <sup>(2)</sup>	5.6%	3.8%	6.5%	3.1%	7.0%	2.3%

(1) Through July 9, 2010

(2) 8-year period from 2002 through 2009

(3) Comparison Benchmark is 60% S&P 500 / 40% Barclays U.S. Aggregate

(4) Comparison Benchmark is 75% S&P 500 / 25% Barclays U.S. Aggregate

(5) Comparison Benchmark is 90% S&P 500 / 10% Barclays U.S. Aggregate

### Notes:

1. The returns presented above represent the performance of model portfolios recommended through AgileInvesting.com. They do not represent the performance of accounts managed by Agile Investments, an SEC-registered investment advisor. Agile Investments manages portfolios on an individualized basis and does not publish composite performance data.
2. Investment transactions in model portfolios are recorded at the opening price of the day of the recommendation.
3. Performance results for AgileInvesting.com and the Benchmarks include interest and dividends earned.
4. Past performance does not guarantee future results.
